

FHMCC have been busy again this year in our community.

- ❖ In January and July 2018 we installed Defibrillator Heart Start Machines at Forehill and Hillfoot Road shopping arcades
- ❖ Several times throughout the year we have held teas for local residents in Forehill Library and have also donated to the library's own tea fund and fund raisers
- ❖ We were successful in obtaining a large grant to lay a new path in Castlehill Estate. Work has been ongoing on this project with part of the pathway laid. We expect to complete it in the Spring (unfortunately the winter weather has called a halt to the work)
- ❖ We held two very successful fundraising nights in 2018. We would like to thank our local businesses for their generous donations - Spar, Morrisons, Masonhill Garage, Keystores, Pollock Williamson Butchers, Rolands Chemist and all those Community Councillors and local Residents who handed in goodies for the raffle
- ❖ We raise funds for the benefit of our local community. If you know of anyone in the area who is fundraising, or any local groups who may need help, let us know. Message us on FB at <https://www.facebook.com/FHMCCAYR/?ref=bookmarks>, send a message to our Website, <http://www.fhmcc.org.uk> or text 07935 169 749.
