Dear Karen

Holmston House, Mill Brae, Ayr, KA7 3GT

KDP Architects and our clients, Holmston House Ltd, would like to invite you to a Public Forum we will be hosting on Monday, 7th November 2016 between 12.00 and 7.00pm at Holmston House, Mill Brae, Ayr.

We are holding this event to introduce our proposal to develop Holmston House and as part of our pre-application consultation with interested parties. Light refreshments will be available, and we hope to open some parts of the house for viewing, as well as presenting our scheme with plans and Computer Generated Images. Senior architects from KDP will be on hand to answer questions, along with representatives from the company looking to develop the site. There will also be plenty of opportunity for you to give your thoughts and feedback on the proposal, so that we can take these on board as we further develop the plans.

As the event is in an 'open-house' format, you can attend at any time that is convenient to you between 12.00 and 7.00pm.

We look forward to welcoming you at Holmston House.

Yours sincerely

Stuart R. Duffy
