

# Introduction to a Career in Social Care

**Introduction to a Career in Social Care is a brand new six-week, part time, online tutor-supported course. It is now available free from Ayrshire College.**

This online course will introduce students to a career in Social Care, where opportunities are many and varied. The course has been designed for those who enjoy working with people, are compassionate, have a sense of fun and are seeking a new rewarding career helping others live their lives to the full.

Participants will be able to work through the learning materials at their own pace, extending their learning through videos and links to further information. A college tutor will be available to provide support and encouragement to ensure participant engagement with all the topics, and to monitor progress.

At the end of the course participants will have a final online meeting with a tutor who will check their understanding of all topics covered, and support them in exploring their next steps, either into employment, or further courses of study in Social Care.

National Transition Training Fund Eligibility criteria for participant engagement will apply: aged over 25 years, unemployed, or under threat of unemployment.

**Applicants aged between 16 and 24 may also apply.**

**Delivered via the online learning platform RISE, this level 5 introductory course will cover the following:**
